

MIDDLESEX COMMUNITY COLLEGE & The Northeastern Massachusetts Law Enforcement Council (NEMLEC)

Northeastern Regional Technology Training Law Enforcement Collaborative

MCC and NEMLEC, in partnership with the Massachusetts Association of Crime Analysts (MACA), are offering **FREE** technology training to law enforcement personnel. This unique education and training program was created to advance the knowledge, capability, and integration of law enforcement technology and workforce development through innovative instruction.

The technology training has three components – **crime analysis, basic computer skills, and crime investigations**. MCC will offer a series of training programs, aimed at various components of law enforcement agencies, including Police Chiefs, command staff, detectives, patrolmen, and civilian support.

Most classes are located in Room 302, at MCC's Lowell Campus, 33 Kearney Square; Intro. to Excel and Intro. to Word will be held in Room 213A. Please park at the Edward Early Jr. Garage, 170 Middlesex Street (free ticket validation at MCC's City Bldg. front desk).
